Subject: City of Los Angeles- Hyperion Water Reclamation Plant (HWRP)- NPDES Permit Renewal Application

EXTERNAL:

Good afternoon Mr. Jeong-Hee Lim,

I hope this email finds you well. I would like to inform you that the application to renew HWRP's NPDES permit was hand delivered to your office at 320 W 4th street Los Angeles. The complete permit application was given to Ms. Amber Bolanos. She also time stamped the cover letters both for Forms 200 and Forms 1, 2A, and 2S.

Please note that two separate envelopes were given to Ms. Bolanos. Enclosed on the first envelope is Form 200 and its corresponding attachments.

Forms 1, 2A, and 2S are enclosed on a separate envelope along with a USB drive wherein all attachments on all forms (1, 2A, 2S, and 200) are saved for your reference.

Ms. Bolanos mentioned that most of you are still telecommuting and not quite sure when you will receive the whole packet. In the interest of time, I am attaching all the forms with attachments for your review.

 **_FORM 2A WITH ATTACHMENTS.pdf**

 **_FORM 2S WITH ATTACHMENTS.pdf**

Please contact Mr. Hassan Rad if you have any additional questions on the application. Kindly acknowledge receipt of this email.

Thank you.
